**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential customer of Sonic, who has provided my broadband internet for over 4 years. I would absolutely be affected by policies that would cut off competitors to the big companies like At&t and Comcast.

I chose Sonic because of their proven reputation for fast and excellent support, as well as for their very competitively-priced offerings. I've used their DSL as well as their fiber products.
